

This architectural site plan illustrates the proposed developments and public realm enhancements for the Southwark Station area. The plan is divided into several key zones and features:

- Southwark Station:** The central circular structure, featuring the 'Existing Station Lantern', 'Core', 'Main Entrance Foyer', and 'UKPN' (UK Power Networks) area. It includes 'Escape' routes and 'Kiosk 1' and 'Kiosk 2' for public use.
- Public Realm Enhancements:**
 - The 'Low Line':** A new activated corner at the top of the station.
 - Enhanced Public Realm:** A large area to the west of the station, including a 'Play Space' and 'Back-of-House/ Ancillary Plant'.
 - Public Realm Widened & Levelled:** A new area at the bottom of the station, featuring 'New Trees' and 'The Cut'.
- Transport Infrastructure:**
 - Joan Street:** A new one-way street running north-south, providing a 'Shared surface across Joan St to provide a more pedestrianised function'.
 - Isabella St:** A street to the north of the station, featuring 'Activated Arches for Retail & Restaurants'.
 - Blackfriars Road:** A street to the east of the station.
 - Blue Badge Parking Bay:** A designated parking area for disabled vehicles.
 - Drop Off Zone for Moving In/ Out, Taxis, Deliveries:** A designated area for taxis and deliveries.
 - Bike Store Access:** A designated area for bike storage.
 - Public Transport:** A 'New Santander Bike Hire Location' and a 'New Activated Corner' are shown near the station entrance.
- Other Features:**
 - Existing Vent:** A designated area for ventilation.
 - Styles House:** A building to the west of the station.
 - Proposed Shared Community Garden:** A new garden area to the south of the station.
 - Core:** A central area within the station.
 - UKPN:** A designated area for UK Power Networks.
 - Community Space:** A designated area for community use.
 - Escape:** Multiple designated escape routes throughout the station and public realm.

The plan also includes a north arrow and a scale bar, indicating the orientation and relative size of the various features.
